These RULES AND REGULATIONS are for the protection and benefit of all users of the pool facilities, and are designed to assure safe and sanitary operation of your pools. All members, their families, and guests are expected to know and follow all Membership and pool rules, especially pool safety and on deck and other behavior rules, while using the facilities. The parents in a Family Membership are to instruct their children and guests to observe all rules and to obey instructions from lifeguards and other pool attendants. Continued failure to comply with these rules shall be considered cause for suspension of privileges as specified in the BY-LAWS and these rules.

8. SPECIAL REGULATIONS

8.1 Procedures governing the use of the pools and/or other facilities by persons other than family members will be prescribed on a situational and individual basis. For information, see the Pool Manager. Upon written application of a member, the Board of Directors may authorize use of the pools and/or other facilities of DHARA at a special guest rate to be determined by the Board of Directors, based upon the circumstances, to individuals residing for more than seven (7) days with a member family or individuals regularly caring for the children or other adult members of a member family. The Executive Committee will resolve problems, complaints, and other Membership matters on a situational, individual, case by case basis depending on all the facts and circumstances when specific difficulties and issues are brought to its attention in writing.

8.2 THERE IS A FEE OF \$50.00 FOR EACH CHILD CARE PROVIDER WHO SUPERVISES MEMBER CHILDREN AT THE FACILITY. Parents are required to ensure that child care providers understand the rules of the pool and the need to provide close supervision of young children in and

near the water. Child care providers must be approved by the Manager on Duty and registered with the Membership Recorder. Child care providers must be listed on the check-in computer at the front desk.

9. SUSPENSION OF POOL PRIVILEGES

9.1 Any member, permit holder, guest, or childcare provider who fails to adhere to DHARA rules or whose actions or activities are determined by DHARA staff to disrupt safe and orderly operation of the pool, may be directed by the Manager on Duty to leave the premises immediately, along with any children in such individual's care. Any individual who is directed to leave the premises pursuant to this subsection, may be prohibited, at the discretion of the Pool Manager, from entering the pool facilities for a period not to exceed seven (7) days. The member or permit holder will be notified of this action. Notice of such action will be in writing, signed by the Pool Manager. Upon a second occurrence of being directed to leave the premises, at the recommendation of the pool Manager and with the concurrence of the Executive Committee, such an individual's use of the facilities may be suspended for a period to be determined by the Board of Directors, but not to exceed 30 days. Notice of such action will be in writing, signed by the President of DHARA or designee. Depending on the nature of the behavior involved, the Board may extend the suspension or take further action at its next regularly scheduled meeting. Any individual whose use of the premises has been suspended under these procedures shall not be entitled to any refund or credit of the Annual Membership Contribution (AMC) for the period of suspension.

9.2 REVOCATION OF POOL MEMBERSHIP FOR UNACCEPTABLE BEHAVIOR

A paramount goal of DHARA is to provide a safe, civil, cooperative, enjoyable, family-friendly atmosphere for all of its members and for the DHARA staff and volunteers who manage the pool operations and support its activities. Personal behavior that detracts from this goal will not be tolerated. If the behavior of any member, permit holder, his or her family member(s), his or her guest(s) or childcare provider, is determined to be threatening, abusive, intimidating, disruptive, harassing, violent, dangerous, or reckless, or

repeatedly noncompliant with DHARA policies and procedures, as determined by the Manager or the Board, the member's Membership or holder's Use Permit may be revoked by the Board depending on the nature of the behavior involved. The Board may exercise this authority independently from the policies and procedures for suspension of pool privileges described in Section 9.1 or as a subsequent action to suspension of pool privileges, depending on the nature of the behavior involved.

Revocation of Membership or Use Permit may be authorized based on (1) Cumulative behavior over time that, in the judgment of the Board, fits into one or more of the categories of unacceptable behavior listed above or (2) Any single event determined by the Board to be sufficiently threatening, egregious or detrimental to the welfare of the Membership or to the Association to warrant immediate action. A vote by the Board to revoke a Membership or Use Permit for unacceptable behavior requires a two-thirds majority of the Board members present at a regularly-scheduled Board meeting for which a quorum is present. In the event of behavior determined to warrant immediate action, a special meeting of the Board may be called by the President to vote on the Membership or Use Permit revocation proposal.

Except in cases warranting immediate revocation, the Board will provide advance written notice, either electronically or by letter, to a member or user whose action(s) have been determined to constitute unacceptable behavior that his or her Membership or Use Permit may be revoked for this behavior. Written notice will be provided to a member or user for each incident that could ultimately lead to revocation of his or her Membership or Use Permit. All communications between the Board and a member or user regarding a proposed revocation will be in writing unless the Board, at its sole discretion, agrees to discuss such action with the member or user at a designated Board meeting. Personal communications between the member or user and the Manager or individual Board members outside of these designated processes are not authorized.

9.3 Any member whose Membership has been revoked by the Board will receive a full refund of the Capital Contribution Cost (CCC), based on its current value. The member may also receive a pro-rated portion of any Annual Membership

Contribution (AMC) already paid for the current annual fiscal operating year. The pro-rated amount will be based on the ratio of the number of days of DHARA's annual fiscal operating year remaining as of the date of revocation divided by the total number of days of DHARA's current annual fiscal operating year (365). In cases where damage to DHARA property is the cause or a contributing factor for revocation, the cost to repair such damage will be deducted from any refund for the revoked Membership.

10. SWIMMING AND DIVING LESSONS

10.1 Group swimming lessons for swimmers under 18 years of age are planned throughout the season except Saturdays, Sundays and holidays. Classes will include beginners through advanced swimmers and divers who will be divided into small groups depending upon their skills. Information regarding swim lesson scheduling and costs can be obtained online at www.dominionhills.org or by contacting the Pool Manager at: manager@dominionhills.org.

10.2 Depending upon demand, adult swimming lessons will be given on the same basis in the early evening hours during general swimming for each participating adult of a Membership family at the cited rates. Private, individual lessons may be arranged by contacting the Pool Manager.

11. RULES AND HOUR CHANGES

All rules and the hours shown will be reviewed from time to time and are subject to change. Such change will be posted on the premises and on the DHARA website at www.dominionhills.org.

Membership Recorder or vouched for in writing by a member in good standing.

These members contribute a reduced amount annually as may be established from time to time by the Board of Directors and approved by the Membership for usage of the facilities and retain all rights and responsibilities of Membership.

12.8 Members pay a pro rata share of the Association's annual fiscal year operating expenses. This Annual Membership Contribution (AMC), is due in such amount as may be established from time to time by the Board of Directors and approved by the Membership.

Payment must be postmarked by MARCH 15 EACH YEAR regardless of the place of residence of the member. **The AMC must be submitted by USPS mail** and addressed to DHARA's mailing address (see Rule 15). Payments will NOT be accepted at the Bathhouse desk or at the residence of the Membership Recorder. Checks must have the Membership number indicated.

Failure to pay the AMC by the cited date will result in late payment penalties (refer to the table on this page) and the member family will be prohibited from using the facility until the AMC and any applicable late fees are paid in full.

AMC payments made between March 16 and April 15 will be assessed a late payment fee of \$100.00. AMC payments made between April 16 and April 30 will be assessed a late payment fee totaling \$225.00.

The member remains eligible to attend all special events, to purchase guest passes, and to rent the Community House at member rates during the rental period.

Requests for rental will be granted in order of chronological receipt or postmark, whichever is earlier. If DHARA is unable to rent the Membership by March 15, the member is responsible for full payment of the AMC and any assessments or other contributions to DHARA.

As with the AMC, late fee penalties shall apply to any rental fee payments made after the March 15 deadline.

12.10 Rental shall be limited to a period of no more than two (2) seasons during the course or period of ownership, unless the member or member family is temporarily relocated out of the area.

Issuance of Special Summer Use Permits/Summer Season Rentals will be first from DHARA held unsold Memberships, then chronologically to particular Memberships available for transfer per rule 13.3, and then chronologically available for rental per rule 12.9 and 12.10.

There is no assurance that Special Summer Use Permits/Summer Season Rentals will be issued for all Memberships available for transfer or rental. Members who have offered their Membership for transfer or rental and who have contributed their AMC will have full use privileges of all DHARA facilities until such time as their Membership is permanently transferred or a Special Summer Use Permit/Summer Season Rental is issued for their Membership. If the particular member family has paid the AMC, an amount of the AMC will be refunded to the member family prorated on an annualized daily basis, less the \$50.00 fee.

Offers for Special Summer Use Permits/Summer Season Rentals and Special Temporary August-September Use Permit rentals are made only to those highest on the Wait List in chronological order.

12.12 Applicants for Individual and Family Membership, pending action by the Board of Directors, may be authorized by the Membership Recorder to use the facilities of DHARA through the issuance of a single visit Courtesy Pass issued by an authorized Board member or the Manager.

12.13 Any Membership that has been delinquent in paying its financial obligations may be revoked by a majority of the members voting at an Annual or Special Meeting of the Membership or by a two-thirds vote of the Directors present at a Board meeting when the delinquent amount equals or exceeds the current value (established Capital Contribution Cost) of the Membership. Upon revocation, DHARA will deduct all unpaid obligations from the established Capital Contribution Cost.

13. TRANSFER OF MEMBERSHIP

13.1 A Membership, which is a separate item of intangible personal property, may be transferred upon written request and approval of the Board of Directors. A Membership may be transferred to either the purchaser at the same time as the sale of the member's residence, notwithstanding that the Membership is not part of and does not pass with title to the residential real estate, or to a relative. A member must provide written notification to the Membership Recorder stating their desire to transfer their Membership. Memberships available for transfer will be first offered from the top of the Transfer List to the prospective member applicant atop the Wait List. However, if there is no Wait List of eligible applicants, the member offering their Membership for transfer is encouraged to find a transferee, and, if approved by the Board of Directors, the Membership transfer can be made. If, in the meantime, an eligible applicant has applied for Membership, the Membership Recorder will notify the member requesting the transfer of their Membership that it will be transferred to the eligible applicant at the top of the Wait List. A member whose Membership has been offered for transfer or is in the process of being transferred remains the Member of Record and will continue to be responsible for their AMC and any assessments or other contributions to DHARA. A Membership Transfer Agreement, completed by the prospective transferee and received by the Membership Recorder, shall evidence that the transfer of the Membership has taken place and is effective on the date of the Board's approval.

13.4 Memberships may not be transferred until all delinquent assessments and contributions to the annual operating expenses of DHARA have been received.

The other spouse will be placed at the top of the transfer Waiting List without charge for the purchase or rental of an Individual/Single Membership pursuant to Rules 12 and 13 to avoid depriving any member of access to the pool by reason of divorce or other legal separation.
