

The John Webb Goodlett Scholarship Foundation

Established 1999

In 1961, John Webb Goodlett, a DHARA member and former lifeguard, was sailing around the world on an educational voyage aboard the newly christened brigantine *Albatross*. In May the craft hit a heavy squall and was swamped. Goodlett stayed aboard the sinking vessel to cut loose a lifeboat containing several crewmates. Because of his heroic effort, they survived and he did not.

That year, the Board of Directors of DHARA started an award program in John's name to honor Dominion Hills

members, young men and women, who demonstrated unusual leadership and sportsmanship. The program existed for 30 years with 59 young members being recognized for their contributions to the Association.

On October 19, 1999, the parents of John Webb Goodlett established a memorial scholarship trust fund to carry on the tradition of recognizing young men and women members of DHARA who demonstrated contributions to the Dominion Hills Area Recreation Association and the larger community. This

trust fund is operated and maintained by the Board of Directors. The President of DHARA serves as Trustee of the fund.

All DHARA members are encouraged to nominate exemplary candidates. To do so, please fill out this form with additional comments attached if needed, and mail it to DHARA, P.O. Box 5643, Arlington, VA 22205, by July 15th of the current year.

There have been 19 scholarship cash awards made since the program was established, 9 awards to young men and 10 awards to young women.

Name: _____ **Age:** _____

Address: _____

DHARA Membership Number: _____ **Years of Membership:** _____

School to attend in September: _____

Activities:

■ DH Swim and /or dive member: _____ seasons. Please list NVL and Dominion Hills team accomplishments and awards:
